October 31, 2012

City of North Bonneville

North Bonneville, WA

WOW!

I'm a firm believer in acknowledging the good things people do to positively impact those in need and try as I may, I cannot create a single new word, phrase or sentence that adequately expresses how ***The City of North Bonneville*** *has touched so many, except…****WOW!***

Mayor Stevens, your generosity and support as a city official and vendor for the Gorge Delight, Just Fruit Bars supporting the "Pink in the Gorge Walk" has filled my heart. The City of North Bonneville is truly, ***"the best kept secret of Washington State!"*** *You don't just talk the talk, you walk the walk.*

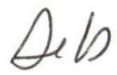
Also, Tom and Cheryl…you were ***Amazing****! You left no stone unturned. It was if you knew my next question or request and it was taken care of before I could even ask.*

In order to help us achieve our goal, we rely on the continued support and generosity of our communities. Without it, the needs of Breast Cancer patients will likely continue to go unmeant. Your support helps women enjoy a weekend of support, friendship and resources at the Pine Hollow Retreat House.

Together, I believe our combined efforts were a success and I look forward to doing it again in 2013…What do you think? Is October 13, 2013 open for another "Pink in the Gorge Run/Walk?"

*So, in its absolute purest form and meaning…**THANK YOU NORTH BONNEVILLE from the bottom of my heart for everything you do for those of us whose lives are challenged and changed by this disease! You give us Hope.***

Sincerely,



Deb Hart/Pine Hollow Retreat Owner
