A Message from the Mayor's Desk

As a longtime baseball fan, I always enjoyed hearing Harry Caray say, "Holy Cow!" And I shared that same sense of excitement and joy when I realized Gorge Days is only about a month away!

We are super excited to have Johnny Limbo & the Lugnuts back again. They will be performing a free concert from 4pm to 6pm to wrap things up Saturday night, but don't miss out on any of the other fun, educational and/or stimulating events going on Friday, July 5th and Saturday, July 6th.

Johnny Limbo and the Lugnuts' appearance here a couple years ago was great and we're hoping to see a lot more people enjoying their unique mix of 50s, 60s and 70s music. Whether you like Three Dog Night, Chuck Berry or The Beach Boys, you're bound to hear something that will get your toes tapping.

If you want to take advantage of the citywide garage sale to clean out your garage and make a little extra spending money contact Darlene Caird at 427-2280 to get on the list. The citywide garage sale will take place from 9am to 4pm on both days.

Friday's highlights include a barbeque dinner from 5pm to 7pm and a sock hop from 6pm to 8pm. There will also be a beer garden from 5pm to 8pm. They will all happen in the parking lot in front of City Hall where the Friday Night Cruise will start at 8pm.

In addition to Saturday's Too Hot for the Streets Car Show the day will be filled with tons of other activities including the Kid's Fun Zone in the city park, a "Find the Bigfoot Scavenger Hunt", a watermelon eating contest, a Volks Walk, an Elvis impersonator and the Friends of the Library used book sale. There will also be numerous vendors selling food and merchandise in the park.

For a full schedule you can check www.gorgedays.net or stop by City Hall or the Chamber of Commerce office in Stevenson.

City Hall open Monday through Friday 8:00 am to 5:00 pm

Bountiful Baskets Food Co-op

This is a grassroots, all volunteer, no contracts, no membership fees, no catch cooperative. Voluntary participation from week to week.

How the Co-op works

As a group, we purchase high quality produce at wholesale prices. Volunteers then sort the items and they are distributed evenly among site participants.

www.bountifulbaskets.org

For your contribution of \$15.00 you receive approximately \$50 in produce

Reasons to Participate

- This is a great deal and you are helping others get a great deal, too. With the produce offerings, you get approximately \$50 worth of grocery store quality produce.
- This co-op encourages a healthier lifestyle.
- You meet great people!
You're able to pick up good, fresh food for your family.

Volunteers Needed for the Gorge Days Event July 5 and 6

There will be a sign-up schedule at City Hall later this month which outlines some of the duties we need help with during the two days of the famous, fun-filled Gorge Days Celebration. A Schedule of Events is included in this Newsletter and it is also available on our web page at northbonneville.net.

This is your opportunity to participate and give back to your beautiful City of North Bonneville.

City Administrator's Notes

It looks like summer has arrived and there's a fair bit of activity in our town.

We are busy hiring a new Public Works Field Supervisor and a new City Clerk / Treasurer / Administrator – the lead position for our public works crew and the city's chief operations officer. With the new people will come both the standard hiccups as we get them trained and the new opportunities as we take advantage of new talents!

We will be trenching the park near the gazebo this month to install 220 volt service. This will come in very handy for concerts and events that need extra power, such as the Gorge Days concert from Johnny Limbo and the Lugnuts.

With all our staff challenges, getting the new gazebo on the other side of city hall up has proven challenging, but I still expect it will be done "soon!" This gazebo is primarily intended to support the disc golf course, but feel free to make use of it when the disc golfers aren't around.

Please remember that your utility payments are due on the 20th of the month when you receive your bill. We've been a bit lax in sending out late notices lately while we dealt with our system upgrade, but that's behind us now and we're finding that a lot of people are receiving late fees on past-due accounts.

I've had a few questions about the new road on the east end of town – it is Coyote Ridge Road, and it being built by the Port of Skamania to encourage development of their property. Once it develops, they will turn the road over to the city as a public road. However, for the time being it will remain closed.
