## Mayor's Message

March is looking a lot like February so far, which looked a lot like January, which was a lot like January, we all get the point. Winter is not in any hurry to leave yet and there are still tons of tree branches all over our city.

There has been one formal cleanup day so far and we will be getting together again this month to do more work, but it's still very disconcerting to see all the damage around town.

The Skamania Pioneer has us on the front page this week with two articles, one about our new City Administrator and one about the storm damage which also lets everyone in our area know we have a lot of potential fire wood around our community and that it is up for grabs for anyone with a vehicle to haul it away. If you or anyone you know has a wood burning stove or fireplace it's worth mentioning that the majority of the downed branches are oak, which burns very well and doesn't leave a lot of residue, and this is a great opportunity to save some money on firewood.

For those who are not aware of our newest employee, I'm happy to inform you Sam Hughes is our new City Administrator. She comes to us from Yakima with an impressive resume and has already hit the ground running. I won't recap the Pioneer article but I will invite you to stop by City Hall to welcome her to our community and maybe have a little visit when you have a chance.

Also, don't forget to set your time keeping devices ahead one hour on

Sunday, March 12<sup>th</sup>, as we get back on Daylight Savings Time.

As always, if you have any comments, suggestions or early Easter Peeps you're trying to unload, please contact me here at City Hall at 427-8182 or via email at don@northbonneville.net.

## March 2017

## Contents

Mayor's Desk 1

### City Council Meetings

Marvh14th and 28th

6 PM - Workshop

7 PM - Council Meeting

### Planning Meeting

March 7th and 21st at 6 PM

The City Hall is open Monday through Friday, 8:00 a.m. To 5:00 p.m.

## **DAYLIGHT SAVINGS TIME**

Spring is almost here! No, really, it is. And what a welcomed sight it will be as much of the foliage around wakes up, stretches out, and fills in the trees throughout our community. Bulbs are erupting and preparing to show off their glorious colored blooms. The combined sound of the songbirds through the air. With all of this activity we should be aware that Sunday March 12th is Daylight Savings Time. So turn those clocks ahead one hour.

## **GAZEBO OPEN!**

For many of us in the Columbia River Gorge, improved weather comes with the need to be out in it. Time to plan hiking, biking, disc golf and all sorts of outdoor activities. Our beautiful town provides it all! And with the tireless efforts of our Public Works crew and some volunteer efforts as well, our City Park is looking better and better everyday. Be sure to call ahead and reserve the Gazebo for your events as this improved weather continues.

## **NORTH BONNEVILLE LIBRARY**

Open: Tuesday-Thursday from 1 p.m. - 5 p.m.
