**Each license application for a stationary vendor shall be accompanied with the following information to establish compliance with NBMC 5.06.130 (Stationary vendor standards) and other applicable codes:**

- 1. A notarized written authorization from the business owner (or property owner, if different than the license applicant) to conduct the applicant's business at the place so noted on the application.**
- 2. A statement explaining the method of trash and litter disposal being proposed by the vendor.**
- 3. A drawing of a scale not greater than 50 feet per inch and not less than 10 feet per inch, which drawing shall depict the following information:**
  - a. The portion of the property to be occupied by the business;**
  - b. The portion of the property to be used for automobile parking and the number of automobiles accommodated in said area;**
  - c. The location of driveways providing ingress and egress to the property;**
  - d. The location of existing buildings and structures located on the property noting the use of each building or structure so identified; and**
  - e. The proposed placement of any lighting or signage on or about the vehicle, conveyance or other nonpermanent structure from which business is to be conducted.**
- 4. A description of any equipment or devices that will generate noise of any sort in or about the vehicle, conveyance or other nonpermanent structure from which business is to be conducted.**
