

City of North Bonneville

JANUARY 2021

A Message from the CAO

Welcome to the year 2021!... That sounds a little like a sci-fi movie intro... Now we can officially say that hindsight is 2020!!!

We at City Hall are wishing everyone a very Happy New Year as we continue to navigate these strange and challenging times together. The good thing about seasons is that they will always change, as will the current state of whatever it is we are going through!

Thank you all so much for making North Bonneville a wonderful and safe place to call home! We are very lucky to live in such a beautiful area away from all that is odd right now!

GORGENET UPDATE

Last year, the city came into an agreement with Gorgenet to utilize our old TV Head-end building to provide another option for speedy internet service! In exchange for use of the building, they are upgrading equipment and fixing lines all over town to provide a better internet option for us! If you see flags and lines along roadways, this is what they are for. Contact them to find out when they will be done with upgrades in your area and check them out!

NEW PUMP!

During the TP shortage of 2020, one of our main wastewater pumps was damaged by foreign materials... The good news is that we have grown our water/sewer reserves over the last few years, enabling us to purchase a new pump! The new pump should be arriving and installed within the next 10-12 weeks! PLEASE remember even after the TP scare is over, to
