

City of North Bonneville

February 2020

A Message from the CAO

2020 already?! They say it goes faster as you get older, and it seems I've gone through the last two decades in the blink of an eye! Well, here we are!

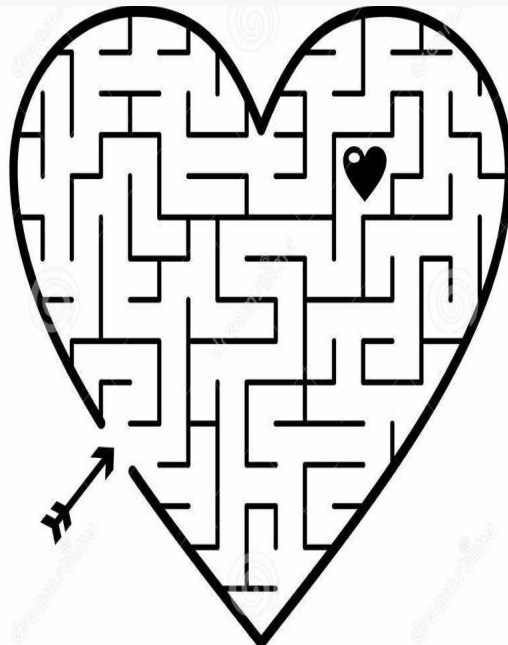

I'm in process of wrapping up all of the city's 2019 financial reports and taxes, early spring cleaning, and prepping for another great year of improvements for the city!

Public Works would like to remind everyone to not flush anything but toilet paper, as most sewer systems are not equipped to handle superheroes, feminine products, towels, diapers, etc...

Finally, remember to come renew all licenses and permits as soon as possible for your business, pets, golf carts, etc.

Have a wonderful February!!!
