

City of North Bonneville

June 2020

A Message from the CAO

BEARS!!!

There have been a group of bears who have been seen near the lake and in town. The Department of Fish and Wildlife have stated that until attractants are gone, they will not consider trapping or relocating them.

PLEASE keep your trash closed and secured until garbage service day and attempt to remove items from your property that would possibly attract bears.

If you do see a bear in town, please call the Dept. Of Fish and Wildlife at 360-902-2200 to file a report. The more reports, the more likely they are to relocate.

~ Deanna ~

June 2020

Important Dates

NOTICE:

SUMMER WATER RATES ARE IN EFFECT NOW!!!

Through the end of August, your water rates are \$1.05 instead of \$2.00 per 100 Cubic Feet!!! This ensures that we can keep Bonneville green to avoid fire danger during our summer months.

Dry grass, debris piles, unclean gutters, are all tinder boxes for fire! Be sure to protect your property and those around you!

Without being political, please remember to BE KIND. We all bleed the same color, we are all a part of this game called life, with it's challenges and successes... We all have families, experience love and loss, ups and downs.. Be good to one another and try to think from perspectives other than your own on a regular basis. The world is changing. Let's make it for the better.
