

City of North Bonneville

July 2020

A Message from the CAO

Happy Independence Day from the City of NB!!!

Even through the challenges of our current “normal”, we want everyone to enjoy the here and now and celebrate safely!

We would like to remind all that NB City Ordinance allows fireworks within city limits on July 4th from 9am until midnight. Please refrain from lighting fireworks outside of these times and please keep water available for emergency extinguishing. We do NOT allow floating lanterns.

Get out of the house and get some goodies on the sidelines of our 3rd Annual Patriotic Parade! We have plenty of sideline seating to maintain a safe social distance in the close company of friends and neighbors! We hope to see you all celebrate independence with us!

In relation, keep in mind that we are in fire season. The burn ban begins on July 1st, which does not allow for burning debris. You are still allowed to have small recreational fires and light fireworks, but please do so responsibly for the fun and safety of all!

~ Deanna ~

BUGS ATTACK!!!

If you've gone for a walk lately, you may have gotten attacked by a multitude of mosquitos... Be assured that our guy from the mosquito board is out in full force trying to ease the issue of the little buggers, but you can help by keeping gutters clean and eliminate any stagnant standing water.

Fleas and Ticks are around again as well... Keep yourself, kids, and animals protected by avoiding tall grasses and weeds, bushes, and trees!

July 2020

Important Dates

City Council Meetings
July 14th & 28th - 7pm
Holidays

July 4th - Independence Day

GORGE DAYS

Unfortunately, we won't get the fullness of Gorge Days this year, but here's what is still happening:

July 4th @ 2pm - Come watch the community's Patriotic Parade!

July 10th & 11th from 9am to 5pm - Shop the Community Garage Sales!

STAY TUNED

Bigfoot Adventure Park is still in the works! All input is welcomed!!!

NOTICE:

SUMMER WATER RATES ARE IN EFFECT NOW!!!

Through the end of August, your water rates are \$1.05 instead of \$2.00 per 100 Cubic Feet!!! This ensures that we can keep Bonneville green to avoid fire danger during our summer months.

Dry grass, debris piles, unclean gutters, are all tinder boxes for fire! Be sure to protect your property and those around you!

The Fourth of July isn't all about barbecues and fireworks. It's also about freedom, liberty and the birthday of our country. Teach your kids about the true history of Independence Day.

A JULY 4TH PICNIC
