

City of North Bonneville

October/November 2020

A Message from the CAO

FALL TIME!!

It seemed to come in overnight this year! The colors of the trees are my favorite part of fall... I can almost smell cinnamon cider and pumpkin pie when I look at them! As much as I dislike the cold, there is something so cozy about Fall and its' ambiance.

From cozy socks and sweaters to snuggles by a fireplace to family gatherings and comfort food, how can you not love it? Please remember those less fortunate who may not be able to enjoy the above. Lend a hand, a kind word, or a warm meal to those who may not be blessed in the ways you are. Kindness alone can reach in and warm a cold soul... Maybe even renew and refresh a spirit like the changing of seasons.

CONSTRUCTION ALERT:

The Skamania PUD have been and will continue working on East Cascade for a much-needed substation upgrade in order to eventually develop Coyote Ridge. Please be safe and aware of traffic changes and crews working hard to get this done!

BURNING:

The burn ban is now lifted just in time to get rid of all that debris you've been cleaning up while stuck at home over the last several months! Please remember that you must obtain a burn permit from City Hall prior to burning within city limits! Permits are only \$5 and good for one year from purchase.

If you are interested in yard debris dumping (household only, no industrial or large projects please.) You may call City Hall to arrange a dump with the Public Works Department starting November 1st.

TEST YOUR SMOKE ALARMS!

It's always good to have your smoke detectors tested on occasion. The North Bonneville Fire and Rescue Department will come by and test yours for free! Set up a time by calling City Hall at (509) 427-8182

~ Deanna ~

October/November 2020

Important Dates:

City Council and Budget Workshop Meetings:

October 27th – 6:30 pm November 10th & 24th – 6:30pm
