## A Message from the City Clerk

Happy Holidays from all of us at The City of North Bonneville!

Look to the tower by Coyote Ridge to mark the season! The Public Works crew have been working to restore the frame and lights for the city star! It will glow from the day after Thanksgiving through New Year's Eve! City Hall will also be decked out in décor for the Christmas get-together on December 18th. We hope these bring a smile to your face and a sense of community love and pride!

**IMPORTANT REMINDERS:** (redundant, but important!)

Remember to winterize!!! Broken pipes can cost you, not just to repair, but your utility bill will go up! The city offers a one-time credit with proper proof of leak detection and timely repair, but protect your pipes and you'll never have to worry about that!

As colder weather approaches, please remember that during a snow event, several of our streets are too narrow to park cars and still allow for emergency vehicles to access citizens in danger and allow for snow plows to access streets when needed! Thank you :)
