Job Title: Maintenance Worker II - Parks

Hourly Wage: \$24.99/hourly, Overtime eligible, Union Represented

Monday - Friday 6:30 a.m. – 3:00 p.m.

Responsible To: Public Works Supervisor

Summary:

This position works closely with the City's Wastewater Plant Operator on day-to-day operations of the City in the following departments: Public Utilities, Streets & Roads, Maintenance, Parks, Grounds, and Property & Equipment Management. Performs work outdoors in all types of weather and is responsible for routine operation and maintenance of all facets of grounds, streets, storage, holding areas, and public utilities. Performs non-routine repairs where assigned. Responsible to the Public Works Supervisor or assigned for scheduling and direction.

Essential Job Functions:

- Mow, trim and edge lawns in parks, sidewalks, islands, and medians using appropriate equipment. Oversee and schedule part-time worker for daily mowing and park maintenance through mowing season.
- Maintain city mowing schedule.
- Pull weeds, prune shrubs, and perform other landscaping related duties.
- Perform painting, watering, trail and road sweeping and upkeep, city building maintenance, basic carpentry, street storm drains maintenance, city light fixture and bulb replacements as needed.
- Operate a variety of equipment including light and medium duty trucks, hand and riding mowers, pressure washers, leaf blowers, hand tools including shovels, picks, chainsaws, hand saws, drills, gas-powered leaf blower, weed eaters, edger's, chippers, compressors, including tractors, mowers, backhoe, loaders, snowplow, dump trucks, and portable power and non-power equipment in a safe and efficient manner.
- Plant and maintain turf areas, trees, and shrubs, to include weeding and pruning.
- Apply fertilizers, insecticides, and other chemicals to turf areas, trees and shrubs as directed.
- Conduct water meter reading on a bi-monthly basis. Respond to water shut off and turn-on notices and work orders.
- March through October clean and sanitize park and ball-field restrooms.
- Perform scheduled maintenance on city equipment and keep necessary records.
- Respond to public inquiries in a courteous manner.
- Coordinate work activities with other departments of the city.

- Remove snow when applicable using equipment provided by the city.
- Perform other duties as required or assigned.

Knowledge of:

- Safe and effective operation of landscaping and grounds maintenance equipment, basic hand tools, and small power tools.

Ability to:

- Be a self-starter capable of performing duties independently.
- Follow safety rules and policies.
- Operate light and medium duty trucks, mowers, pressure washer, leaf blowers, hand tools including chainsaws, weed eaters, edger's, and hand saws.
- Use computers, automated time and attendance and work order systems.
- Communicate and apply people skills to interact with coworkers, supervisors, and the public at a level to sufficiently and respectfully exchange or convey information and to receive work direction.
- Have working familiarity with assigned tools and procedures including basic knowledge of maintenance and landscaping duties.
- Understand and follow oral and written instructions.
- Work with minimal supervision.

Experience/Education:

Any equivalent combination and experience that provides the knowledge, skills and abilities required to do the job. A typical way to obtain knowledge and abilities would be:

Experience: Two (2) years of experience in groundskeeping, botanical or general maintenance and custodial work with general equipment operation experience.

Education: High School diploma or GED equivalency.

Licensing and Certifications Required:

- Valid Washington State driver's license.

Physical Requirements:

- Physical strength and ability to perform moderate to heavy manual labor including frequent bending, stooping, walking, kneeling, crouching, lifting, and working outside in all types of weather conditions, and standing for extended periods of time.
