These damages or penalties shall include, but shall not be limited to, damages arising out of copyright infringements, and all other damages arising out of the installation, operation, or maintenance of the Cable Internet System authorized herein, whether or not any act or omission complained of is authorized, allowed, or prohibited by the franchise.

Gorgenet will indemnify and defend the city, its officers and employees, from and against any and all claims, demands, actions, suits, and proceedings by others, and against all liability to others, arising out of the negligence of Gorgenet in the construction and operation of its Cable Internet System in the city, provided that the city gives Gorgenet prompt notice in writing of any such claims, demands, actions, suits and proceedings, without limitations. Defense of claims shall be by counsel reasonably acceptable to the city and at no cost to the city.

The city, to the extent provided by the statutory and common law of the State of Washington and by the Constitution of the State of Washington, will be responsible for acts of negligence or breach of obligation committed by the city for which the city is legally responsible, subject to any and all defenses and limitation of liability provided by law. This provision does not and shall not be construed as a waiver, relinquishment or

abrogation of the statutory limitation of liability available to the city. This paragraph in no way waives the city's limited right of sovereign limitation of protection under the applicable statutory limitation of liability available to municipalities generally in this state.

Gorgenet shall maintain in full force and effect for the term of this franchise, at Gorgenet's expense, a comprehensive liability insurance policy with the city named as an insured, written by a company authorized to do business in the State of Washington, protecting the city against liability for loss, personal injury and property damage occasioned by the operation of the Cable Internet System by Gorgenet, in an amount not less than \$1,000,000. Evidence in the form of a certificate of insurance shall be provided to the city upon request.

Section 16. Unauthorized Connections or Modifications

It is unlawful for any person to make any connection, extension, or division whether physically, acoustically, inductively, electronically, or otherwise with or to any segment of the Cable Internet System for any purpose whatsoever, without the express consent of Gorgenet.

It is unlawful for any person to willfully interfere, tamper, remove, obstruct or damage any part, segment or content of the Cable Internet System for any purpose whatsoever.

Any person convicted of a violation of this section will be subject to the maximum penalty allowed by Federal, State and local law. The city agrees to cooperate with Gorgenet in the prosecution of any such violations.

Section 17. Records and Reports

The city shall have the right, at its own expense and upon at least 10 working days prior written notice, to inspect at Gorgenet's offices during normal business hours, all books and records directly related to Gorgenet's utility tax and Gorgenet's proof of performance tests. To the extent protected and/or exempted by the Washington Public Records Act and other related laws and statutes, the city will not disclose to the public or to competitors of Gorgenet any commercial or financial information reviewed by the City pursuant to this franchise agreement.

Section 18 Franchise Renewal

Upon completion of the Term, this franchise will automatically renew for another 20 year term unless the City gives notice of termination of the franchise prior to the end of the initial Term

Section 19. Transfer of Franchise

Gorgenet shall not transfer this Franchise to another party, person, or entity, except to a company controlling, controlled by or under common control with Gorgenet, without first receiving the prior written consent of the city, which shall not be unreasonably withheld. Provided however, the city reserves the right to review the financial stability and performance of any proposed buyer, transferee or grantee and to withhold consent if, in

the determination of the city, such proposed transfer would not be in the best interests of the city.

Section 20. Termination; Cancellation

In addition to all other rights and powers pertaining to the city by virtue of this franchise or otherwise, the city reserves the right, after reasonable notice to Gorgenet identifying a deficiency with an opportunity to cure any alleged franchise violation, and to be heard before city council, to terminate and cancel this franchise and all rights and privileges of Gorgenet hereunder in the event that Gorgenet:

- Willfully fails to reasonably carry out any material provision of this franchise or any material rule, order, or determination of the city pursuant to this franchise.
- Becomes insolvent, unable or unwilling to pay its debts, or is adjudicated bankrupt.

Such termination and cancellation shall be by resolution duly adopted after 60 days notice to Gorgenet and shall in no way affect any of the city's rights under this franchise or any provision of law.

In the event of termination, Gorgenet agrees to comply with the repurchase option set forth in the equipment purchase and sale agreement entered into contemporaneously herewith. Except for any equipment purchased pursuant to that agreement, Gorgenet shall promptly remove all of its personal property. If Gorgenet fails to remove its property within sixty (60) days of the termination, Gorgenet agrees all of its interests in the property will be forfeited to the city, and the city may seek recovery of its costs to remove the property in excess of the value thereof.

Section 21. Force Majeure

With respect to any provision of this franchise the violation or noncompliance with which could result in the imposition of a financial penalty, forfeiture or other sanction upon Gorgenet, such violation or noncompliance shall be excused where such violation or noncompliance is the result of Acts of God, war, civil disturbance, strike, labor unrest, or other events, the occurrence of which was not reasonably foreseeable by Gorgenet or is beyond Gorgenet's reasonable control.

Section 22. Miscellaneous

The right is hereby reserved by the city to adopt, in addition to the provision contained herein and in existing applicable resolutions, such additional regulation, as it shall find necessary in the exercise of its police power.

If any section, subsection, sentence, clause, phrase or portion of the franchise is for any reason held invalid or unconstitutional by any court of competent jurisdiction such portion shall be deemed a separate, distinct and independent provision and such holding shall not affect the validity of the remaining portions hereof.

The city acknowledges that acceptance of the terms and conditions of this Franchise will not constitute, or be deemed to constitute, a waiver, either expressed or implied, by Gorgenet of any constitutional or legal right which Gorgenet may have or may be subsequently determined to have, either by subsequent legislation or court decisions. The city acknowledges that Gorgenet hereby reserves its rights under applicable Federal and State constitutions and law.
