

**City of North Bonneville  
Resolution Number 507**

**A Resolution of the City of North Bonneville, Washington amending Resolution 504 Exhibits B Water Fees and C Sewer Fees.**

**Whereas**, the City also desires to update and amend specific adopted fees established by the City so as better reflect the true costs of such services, and;

**Whereas**, the City has found that using the annual Consumer Price Index for All Urban Consumers (CPI-U) to adjust rates automatically has been burdensome, inaccurate and untimely, and;

**Whereas**, the City, after careful study and consideration of all the facts, desires to set these fees as needed by a vote of the City Council and not automatically by the CPI-U.

**Now, therefore, be it resolved**, the City Council of North Bonneville, Washington hereby amends Exhibits B and C of the adopted fee schedules as follows:
