RE: Vacant Position #4 of City of North Bonneville Council

Thursday, September 13, 2012

To Whom It May Concern:

My Name is Patience Udall and I am seeking consideration for appointment to the vacant position #4, of the North Bonneville City Council.

My family purchased a home here in 2006 and we have since enjoyed raising the later part of our seven children in this beautiful area. Since we have settled here, it is difficult to imagine living anywhere else. I have served in several leadership positions in my church and in the community. I am currently a leader in one of the local Boy Scouts of America chapters and a substitute par-teacher in the Stevenson-Carson School District. I have a small freight agency business that I run from my home-office and am at the tail end of earning my BS degree in Liberal Studies, with minors in business and literature, online, through Eastern Oregon University. I am clearly invested in bettering self and community.

As the economy has taken many twists and turns, this is a challenging time for all government entities. I understand the need to be creative and prudent; however, I also understand the importance in looking to the future and planning for a brighter tomorrow. North Bonneville has great potential to offer and welcome many opportunities for growth and development.

With an appointment to this vacant position in discussing these matters on the city council, I bring common sense, hard work, and a desire to serve the North Bonneville community to the best of my ability.

Thank you for your consideration of my application for this appointment. I am available for any comments or questions. You may call or email me at 509-427-5155, (cell) 503-740-1661, or writing to me at patience.u@gmail.com.

Sincerely,

Patience Udall
