NOTICE

COVID-19 UTILITY BILLING UPDATE

3/25/2020

The City of North Bonneville Public Works Department will continue to provide utility services to our citizens during the COVID-19 shutdowns. City Hall is closed to the public, water/sewer utility payments can be dropped at payment slot of City Hall, US mail, online at www.northbonneville.net or by calling City Hall to make other arrangements. If you have any questions about your bill, or would like to discuss other city business, please contact the city office staff at (509) 427-8182.

We are extending the March 25th water/sewer billing due date and will accept all payments for the current billing cycle until **April 17th** without incurring a late fee. You are responsible for making your utility payments on time however, through this trying time if you have a COVID-19 related issue making it difficult to pay, we have a payment schedule arrangement available.

For more information, contact City Hall Monday through Friday from 8am-5pm through the contact methods offered above.

Sincerely,

The City of North Bonneville
